See "Pure Velvet" a quilt by Amy Pabst

---

This stunning Pineapple block quilt (a log cabin variation) by Amy Pabst was created from some interesting fabrics including silks, velvets, and polyesters. Each block measures 1 1/2" (yes, 1 1/2" inches) and has 49 pieces. Amy pieced **Pure Velvet** on a Singer Featherweight and then quilted it on her BERNINA.

With a total of 21,609 pieces, (but who's counting?) **Pure Velvet** won First Place, Pieced Wall, at [Road to California](#) 2020.
