See "Shimmering Symphony" a quilt by Karlee Porter

Karlee made this quilt, ***Shimmering Symphony***, in 2011 specifically for the "Create Your Style With Swarovski Elements" design contest and it won 1st place. She was pretty excited about it and writes, *"Not only did I win \$3,500 in cash, but I also won a brand new sewing machine as well as \$3000 worth of Swarovski Crystals! It was such a fun competition and even landed me a spread in my local newspaper!"*
