Piecing a LeMoyne Star with Diamonds

Alex Anderson's quilting tutorial on Piecing a LeMoyne Star with Diamonds will be broadcast LIVE Monday, Apr 27, at 10am PST, 1pm EST, and 6pm London time. The class will be recorded for later viewing (it's just more fun LIVE). Tell a friend and then chat during the LIVE. If you want to chat in the LIVE session, go to our homepage, scroll down and go to the playlist on YouTube. That way your chat will go to Alex.

Don't miss the Stay in Place special membership and see all the shows Alex talks about.
