The Robert Kaufman Printing Process

Have you ever wondered how fabric is printed? Robert Kaufman CEO Ken Kaufman provided a video to give all quilters and fabric enthusiasts a behind-the-scenes look at the printing process. Then get a peek at how TQS guest **Jennifer Sampou's** ([Show 2706](#)) line of fabric is digitally printed in the second video below. Enjoy!

And now, here's how Jennifer Sampou's fabric is printed today!
