Blooms for Julie

Name: Blooms for Julie
Designer: Jan Magee
Begins: July 1, 2015

Description: Looking to do some fun sewing this summer? TQS has just the answer! Come join in the fun as we make *Blooms For Julie*, our *Summertime Quilt Project*. This updated and freshly modern quilt, designed by Jan Magee, is based on a scrappy version she made for her mother a number of years ago. We just fell in love with the new design and know that you will too.

The Quilt is 66" x 80" and the blocks measure 14" square.

The first of four pattern installments began on July 1. Subsequent pattern installments air on the first of each month.

Download our **Introduction Packet** to get all the yardage and other supplies you will need so you can get started right away.
