### Top 100 Puzzle - Air Show - Jonathan Shannon

---

In 1992, Jonathan Shannon was the first man to win Best of Show in Paducah. Jonathan always loved planes and enjoys the fact that the quilt appeals to quilters and non-quilters alike. He chose early model planes for their graphic design and nostalgic appeal. Everything about this quilt embodies the qualities of flight and motion. This is not Jonathan's only quilt in the Top 100. In the future you'll see another of his designs.
