Puzzle - Velda Newman - Baskets

Created in 1999, Baskets by **Velda Newman**, is a prime example of her ability to create a work of art inspired by ordinary objects found in the everyday world. The quilt is 42" x 44" and you can see another view of it in the [Behind the Scenes slideshow for Episode 903](#).

To see how Velda creates her art, watch [Episode 903 - Realistic Imagery: How Does She Do it?](#)

Also available from [C & T Publishing](#) is Velda's book, A Workshop with Velda Newman, "*Take inspiration from nature, then use color, shape, and texture to translate the world around you into amazing works of quilted art!*"
