TQS Puzzle - Bear West - Alex Anderson

Bear West is Alex's award winning quilt. Boasting **Best of Show** in a regional show, it granted her young family the opportunity to take a trip to Orlando, Florida (Disneyworld)! Ask Alex the story someday of how this quilt got its name and she'll remind you to always pay attention to the rules when submitting a quilt to a show (she didn't). We give you a little puzzle hint below if you need it.
