TQS Puzzle - Sherry Reynolds - Christmas All Around

In honor of [PIQE](#), we are highlighting a quilt by one of our own TQS Members, **Sherry Reynolds** (aka [wyomingquilter](#)). Sherry's quilt, **Christmas All Around**, won 1st place traditional in 2010, as well as, the Viewer's Choice award. It most recently won Best Machine Workmanship at the AQS Lancaster Quilt Show 2011. Sherry said that she designed the quilt on graph paper and wanted to capture the favorite colors, icons, and memories, and the sparkle of Christmas. The piecing and quilting on this quilt are absolutely stunning.

It is 88" x 88" and was quilted on a 20-year old **Bernina** 1001. The sparkle is courtesy of Swarovski crystals.

P.S. Sherry's entries into PIQF this year are equally as stunning, you can see them by [clicking here and heading over to the Forum](#).
