## TQS Puzzle - Electric Faerie of the Getty Garden - Sheila Frampton Cooper

---

Sheila created *Electric Faerie of the Getty Garden* for the *International Quilt Festival Special Exhibit: Good for You 2011*. This was an international juried and judged exhibition of art quilts where the theme was Good for You - as in, "what's good for you? Chocolate, wine, video games? As long as the quilt spoke to the theme, it was acceptable.
