## TQS Puzzle: Fifty Shades of Groovy by Leslie T. Jenison

---

Leslie says her love of gray fabrics inspired this quilt and that the name, *Fifty Shades of Groovy*, is a little wink toward a phenomenon in the cultural zeitgeist. It is machine pieced and quilted on a longarm and measures 87.5" x 63.5."

### Leslie's Design Process:

Beginning with the dotted cloth cut into squares, I pieced it using two widths of cloth in three shades of gray. Working intuitively to balance the values, I pieced the rest of the quilt.
