TQS Puzzle: "Hollywood" by Linda Pumphrey

Linda Pumphrey created a quilt from Mountain Mist Pattern 44, copyright 1934. This pattern title was copyrighted during the Golden Age of Hollywood in the 1930s. The pattern for this piece says, "In answer to the demand for really new pieced quilt patterns, we offer this highly interesting original design that included appliquéd stars to heighten the effect." We feel it looks modern today.
