She's Baaack! On the Set with Modern Scrappy Quilts and Gyleen Fitzgerald

Building a design using the fundamental shape of a square became the inspiration for Gyleen's venture into the Modern world. But Gyleen, as always, has made the process more streamlined and completely her own. Take a peek behind the scenes of the taping of Gyleen's show and watch good sport Justin as he "works" through opening the show.

Star Members can watch [Show 2012: Modern Scrappy Quilts](#) when it debuts June 4, 2017.
