### On the Set with Lisa Walton and Gayle Schliemann

---

The first non-American SAQA president, **Lisa Walton**, discusses SAQA and what it's about, its founder Yvonne Porcella, and the vast scale of exhibits across the globe that they present. Next, she shares a fast and fun fusible quilt design that is also a fantastic stash buster and a technique inspired by Bargello quilts. Lisa also talks about her textile tours.

Then, **Gayle Schliemann** talks about Cosplay, how it includes fans of costumes, comic book characters that gather at conventions around the world, and the work that goes into making a costume. She discusses how her sewing skills and BERNINA capabilities allow her to do unexpected and unique details on her creations.

Watch Lisa and Gayle in [Show 2503](#), when it debuts Sunday, July 28, 2019.
