### On the Set with Susan Cleveland

Susan Cleveland is back for her 4th appearance on The Quilt Show. This time she takes the Dresden Plate block to a whole new level with fussy cutting, arches, piecing, and interlocking parts. Using her Dynamic Dresden Ruler she gives you ideas for new ways to create these fun and interesting blocks. You'll also get a peek at her latest book which has 7 new projects. Susan also gives you tips for stitching in the ditch and finishing the edges of your quilts.

Watch Susan in [Show 2510](#), when it debuts Sunday, November 3, 2019.
