On the Set with Jean Wells

Jean Wells is the founder of the Stitchin' Post in Sisters, Oregon, and author of over thirty books. She welcomes Alex and Ricky to her home for a tour of her garden and provides a walkthrough of the many quilts she has made. Throughout the show, Jean expresses her love for the process of color exploration, gives a tour of the Stitchin' Post, shares a mini-history lesson of the Sisters Outdoor Quilt Show, and then gives her own thoughts on all the different things she has accomplished in her long lasting career. Here is a peek.

Watch Jean in [Show 2513](#), when it debuts Sunday, December 15, 2019.
