On the Set(s) for Appliqué Masterclass 2

In TQS' second Appliqué Masterclass, Rosa Rojas and Sue Garman share tips and tricks on prepping your appliqué, making perfect circles and making stems with bias bars. Sue Nickels teaches her method of designing an appliqué border based on an antique quilt from the 1800s.

Then Liuxin Newman will astound you with her needleturn method of making super tiny dots, micro lines, and her 'Chinese weaver stitch' which results in very sharp points.
